Utility Bills: Advice for Renters and Homeowners ^[1]

This pamphlet is a brief summary of the rules adopted by the Idaho Public Utilities Commission (PUC) concerning electric, natural gas, and water termination practices. The rules apply to all residential customers of investor-owned utilities in Idaho under the jurisdiction of the PUC such as Idaho Power, Avista Utilities, Intermountain Gas, Utah Power & Light, Pacific Power & Light, Citizens Utility, and United Water.

These rules do not apply to cooperative utilities or municipally owned utilities....
