## How Not to Get Hooked by a ‘Phishing’ Scam <sup>[1]</sup>

*“We suspect an unauthorized transaction on your account. To ensure that your account is not compromised, please click the link below and confirm your identity.”*

*“During our regular verification of accounts, we couldn’t verify your information. Please click here to update and verify your information.”*

Have you received email with a similar message? It’s a scam called “phishing” — and it involves Internet fraudsters who send spam or pop-up messages to lure personal information (credit card numbers, bank account information, Social Security number, passwords, or other sensitive information) from unsuspecting victims...
