Medical Discount Plans: They're Not Health Insurance ^[1]

Affordable Health Care Plan, Pre-existing conditions? No problem! No Deductible or Co-pays, Thousands of providers in our PPO network, Discounts up to 60%

Claims like these in magazines, on television, or on the Internet may sound like they're selling health insurance. Probably not. Most of the time, they're pitching a medical discount plan, card, or program, and chances are, they're aimed at people who are in the market for ways to reduce the cost of health care...
