[Client Services at Idaho Legal Aid \[1\]](#)

You can learn about the laws that affect you by checking out the areas of law listed above. Idaho Legal Aid Services provides a range of services in some, but not all, of the areas listed.

We help our clients:

- Escape domestic violence
- Avoid homelessness
- Obtain food, health care, and other benefits

We help our community by:

- Providing outreach and education
- Supporting coalitions among the legal community to fight social problems like domestic violence
- Discouraging discrimination

Click on the links to the areas of law above to find more information about what you are looking for. Or, search for what you are looking for by entering a word in the search box.
