Interactive forms are free to low income people in Idaho with certain family law issues. We have interactive forms for custody, for couples seeking a divorce with or without minor children of the marriage, and for a family case response without minor children. If you are looking for different forms you can visit the [Court Assistance Office \(CAO\) website](#) [2] to print forms and complete them by hand.

Links to the interactive Self-Help Forms are found either by scrolling further down the page or by using the links above.

**You must have Adobe Flash Player to view the interactive interviews. Download it for free at [Adobe](#) [3]. Then select “Install Now”.**

*Note:* You do not need the free McAfee Security Scan Plus and should uncheck the box if you do not wish to install it.
