### [Self Help - Idaho Interactive Forms \[1\]](#)

Welcome! Idaho Legal Aid Services, the Idaho Supreme Court, and the Idaho Commission on Aging have partnered to bring free interactive legal forms to people in Idaho. The interactive forms were developed for use by limited income people representing themselves in a civil court matter, but are free of charge to all. The system is easy to use and provides court approved court forms, as well as those developed by ILAS attorneys for seniors, in several legal areas.
