## Idaho Senior Legal Guidebook <sup>[1]</sup>

### Basic Information about Idaho's Laws for Seniors

Seniors and their family, neighbors, friends and caregivers will find this Guide helpful. The Guide gives general information about legal issues that seniors frequently encounter and offers practical options for each situation. It will also give direction on where to look and who to call for more detailed information.

No guidebook can cover every single legal issue or give advice on your unique situation. However, we hope that this Guide will give you a better understanding of what to expect, what questions to ask, and what you can do next.

This Guide is not copyrighted. Any of its pages may be copied so the information is accessible to anyone who wants or needs it. We encourage you to view and download a copy of the Guide online at [www.idaholegalaid.org](http://www.idaholegalaid.org) [2].

You may need to talk to a lawyer about your unique situation. This Guide gives general information on legal issues. It is not a substitute for an opinion from an attorney or legal advice about your particular case. It also does not create an attorney-client relationship with Idaho Legal Aid Services or anybody else.
